BOND 2007

Election Day
May 12

IMPACT TO THE MACARTHUR AREA

Garner Middle School Fine Arts addition:

Construct a building addition for the orchestra program currently located in a portable building and new facilities for the choir program. Auditorium renovations including seating and flooring replacement, interior painting, wall and window treatment, stage lighting and sound system upgrades.

Garner Middle School Gymnasium replacement:

Remove existing practice gym and construct new competition gym with bleacher seating for 300, lobby, concession area and public restrooms.

Restroom Renovations in MacArthur auditorium and band hall:

Includes flooring, fixture, lighting, toilet partition replacements and wall refinishing for four restrooms areas.

Roof replacement at Regency Place, Serna and Thousand Oaks elementary schools.

District-wide sports facility:

Will include a combined Football/Soccer Stadium with seating capacity for 10,000; will include an 8-lane track, parking for 2,500 and related infrastructure. Proposed bond also includes design costs for a baseball stadium.

All elementary, middle and high schools will receive:

- HVAC systems in their gyms (air-conditioning).
- Instructional technology (such as classroom computers, teacher laptops, distance learning equipment, projectors, graphing calculators) and related technology infrastructure (security cameras for all elementary and middle schools, additional security cameras at all high schools, networking upgrades and software).

Northwood, Oak Grove, Regency Place and Serna elementary schools will have their metal gyms replaced with masonry gyms to facilitate the air-conditioning mentioned above.

Air-conditioned kitchens at Serna, Oak Grove, Northwood and Redland Oaks elementary schools.

Purchase 130 new buses for use district-wide.
