

**Douglas MacArthur High School  
Student Transportation and Parking Plan  
Faculty/Staff Parking Plan**

**DRIVE SLOWLY AND DRIVE FRIENDLY**

In order to insure the safety of all students, faculty, staff and visitors, the following student drop-off/pick-up, school bus drop-off/pick-up, student parking, faculty parking, and visitor & handicapped parking designations need to be followed. (Download and print [THE CAMPUS MAP](#).)

1. The designated student drop-off/pick-up is the circle drive that leads to the main office and Cafeteria. If parents choose to drop-off/pick-up students by the gym, fine arts, or ROTC buildings, they need to use the Student Parking Lot entrance on the **far east side** of the campus to drive to the rear of the campus. **DO NOT USE THE WEST CAMPUS ENTRANCES.** Your cooperation in this matter is needed and greatly appreciated.
2. All school buses will use the new drop-off/pick-up lane on the west side of the campus. Buses only will use this entrance between the softball field and the school building. **NO FACULTY/STAFF, STUDENTS OR PARENTS ARE TO USE THIS ENTRANCE.**
3. Students with school registered vehicles will use the following areas for parking:
  - a. EAST ENTRANCES (HEB SIDE) – The east parking lot beginning with the fourth row to the soccer field. Student Parking signs located at the ends of the fourth row identify the beginning of student parking.
  - b. WEST ENTRANCE (BY REGENCY POOL) – The parking area between the football/baseball fields. Athletes who have after school practices are encouraged to use this area. Additional student parking is also located on the west side of both the baseball field and the softball field.

**CAUTION** – Drive with extreme care as you enter/exit the campus on this road. There are **STOP** signs on this road. In addition to faculty/staff entering and exiting, the school buses will exit the campus via this road. **THE SCHOOL BUSES HAVE THE RIGHT-OF-WAY.** Also, the road by the baseball field has a number of sharp curves. Drive with care!

4. Faculty/Staff will use the following areas for parking:
  - a. East parking lot – the first three rows nearest Bitters Road. The rows are identified with Faculty Parking signs at the ends of the rows.
  - b. The parking slots near the student patio eating area
  - c. The parking slots directly behind the chiller yards and the area between the fine arts and gym buildings
  - d. West parking lot – between the tennis courts/baseball field and limited parking near the ROTC marching pad. Enter/exit the campus using the road by Regency Pool. **DO NOT USE THE BUS LANE ENTRANCE.**
5. Visitor parking during school hours is designated in the East parking lot, between the Faculty and Student parking areas. If you have school business, please park in this area.
